

Ten Things Your Minister Wants to Tell You (But Cant, Because He Needs the Job)

How did it all begin? What happens when we die? These are just two of the questions Reverend Oliver Buzz Thomas hears centrist Christians asking as he travels across the United States, and he knows that their voices are not being heard. Theyre people of faith, not of politics, and they want more from their religion than a voters guide. Now, Reverend Thomas has written a book that will become the liberal Christian answer to The Purpose Driven Life. Thomas writes sensitively about the reason we were put on this earth, the significance of the Bible, and how one pleases God. He answers difficult, contemporary questions like What about homosexuality? and What about other faiths? while weaving in a sensible Christian theology for modern living.
