

The Last Fall: Book 6 of The Lilly Series (Easters Lilly) (Volume 6)

Octavio Montiago has been living in his cousins shadow for years. Diego Montiago Jr. also known as Junior has taken over the organization from his step-father, and has made quite a name for himself. As he and his cousin Octavio co-run the syndicate together, Octavio finds himself unable to keep himself out of trouble on his own, leaving his cousin consistently in charge of damage control. Finally, Octavio has met his match and falls in love with the beautiful Siobhan. Although Siobhan is on the right side of the law, that makes her the enemy of the Montiago family. As Octavio continues to walk down the path of desperation, things take a turn for the worst. The Mafia encroaches upon his life, forcing him to make a difficult decision. As he finally feels he has met with some peace, the odds are yet again against him. Can Junior get him out of this one, or is Octavio on his own to free yet another damsel in distress. Is love worth dying for? You be the judge.
