

Expectations (9 Months Later)

A reader-favorite contemporary romance from New York Times bestselling author Brenda Novak. With her son, Ryan, Jenna moved back to Mendocino, where she's living and working at the Victoriana Bed and Breakfast. It's owned by the elderly Durhams - whose grandson, Adam, was her first love. And, in some ways, her last. But that was 15 years ago, before Adam abandoned her and his family for the bright lights and big city. For a successful career and a fast-track life. When Adam and Jenna rediscover each other, he wants her back. But much as Jenna knows she could love him again, she also knows there are too many obstacles between them. Too much history. Too many expectations. And now her baby. Brenda Novak's seamless plotting, emotional intensity, and true-to-life characters make her books completely satisfying. New York Times bestselling author Allison Brennan. Originally published in 2000.
