

Jack and Dave

Just out of the service, Dave Henderson is home and ready to enjoy the sexual freedom he didn't have in the Marine Corps. When he meets Jack Stonner at a party thrown by a neighbor, Dave is immediately attracted to him and launches a seduction, one that starts with sex but soon grows into love. Then Dave draws the fierce attentions of a local mobster, and Dave's new employers at a local law firm insist that Dave continue to conduct business with him. Jack and Dave's new relationship may be derailed, because Franklin Venchenzo is used to taking what he wants by force-and Jack is standing in his way.
