

## The Afrika Korps in Combat (Hitlers War Machine)

This unique collection of contemporary combat accounts provides a primary source insight into the reality of the Afrika Korps in combat actions from 1941-43 in Libya and Tunisia. This fascinating compilation includes action reports and Allied intelligence reports. This book is part of the Hitlers War Machine series; a new military history range compiled and edited by Emmy Award winning author and historian Bob Carruthers. The series draws on primary sources and contemporary documents to provide a new insight into the true nature of Hitlers Wehrmacht. The series consultant is David Mcwhinnie creator of the award winning PBS series Battlefield.
