

A Call to Surrender

Jamie Womack has lived with the challenges of cerebral palsy her entire life. What she has learned is that the key is not overcoming, but surrendering. Once she surrendered her life to Jesus Christ she experienced the joy that is only available to those who know Him. Her lessons can be for your benefit as you read her powerful testimony in her book, *A Call to Surrender*. If you are looking for encouragement and found it in short supply, this book is for you. Jamie opens her heart and shares her life of discouragement and how she decided to offer her pain, disappointments, and discouragement to the Lord, to use as He would see fit.
