

# The Roman Frontier in Central Jordan (British Archaeological Reports (BAR))

Report on the work done by the Limes Arabicus project from 1980-1985, a surveying project, designed to collect and record information on the material remains of Roman Arabia. These two volumes contain the results of the survey of the Limes zone, a detailed examination of the legendary fortress of El-Lejju'n, descriptions of other fortifications, and reports on remains of material culture.
