

## Becoming Elizabeth: A Pride and Prejudice Variation

Becoming Elizabeth: A Pride and Prejudice Variation Madeline Gardner drew breath. I had never thought it before, but it occurred to me today that Thomas Bennet has not been a very good husband. He has reduced Fanny into something very close to a joke in that house. Lizzie Bennet, a reigning belle in the district of Meryton and the smartest person in her fathers house fears marriage. She is afraid of being controlled and cant imagine anything worse than becoming like her mother: an object of derision to her husband and family. Family circumstances dictate that the Bennet girls must marry; but can Lizzie find the maturity to overcome her fears and begin the changes that will lead towards her becoming Elizabeth? Fitzwilliam Darcy has his problems too. Wealth, status and family expectations have moulded his public behaviour. But behind his proud, cynical exterior lies an intelligent, passionate man, longing for an equally intelligent and passionate partner in life. Circumstances have brought them together, but can two such strong personalities find each other through the welter of conflicting forces that hold them apart?
