

Addicted to Nick (Mills & Boon Desire)

Horse trainer Tamara Cole knew all about Nick Corelli, the gorgeous black sheep of the Corelli clan. Now here he was, creeping about the stables in the dead of night! The sexy city entrepreneur might not be armed, but he was plenty dangerous. Nick had come to Australia to sell his family horse farm - only to be accosted by his new partner! But the co-owner of Yarra Park was a spirited, sensual woman who was as attracted to him as he was to her and about to discover that for her loving Nick was a lifelong addiction.
