

Diamond in the Rough

Sassy Peale is desperate to help her family, but her meagre salary doesn't stretch far. Then she meets John Callister, who she thinks is an honest ranch hand. But John is actually a millionaire from one of Montana's most powerful families. When Sassy finds out, she's certain he is just playing with her. John has to convince Sassy that he's the man she first thought he was - a diamond in the rough.
