

## Amazing Grace

Grace and truth came [or subsists] through Jesus Christ (John 1:17b ASV, and Darby in brackets). The Greek word for came is ginomai which means has come signifying that that which before had never actually been in being in the world now begins to be so. In other words, grace actually commenced to be, yet not in Gods mind, of course, but in revelation and actual existence down here on the earth (see Darbys footnote discussion on subsists in John 1:17). Mankind could not fully understand what divine grace is till it was revealed in Jesus Christ; nor could believing mankind fully apprehend the depth of that grace till it be found in Christ Jesus. Even today this so great salvation continually amazes those of us who have been touched by Gods grace. In August 1937 brother Watchman Nee gave a series of ten messages in Singapore on the Biblical theme of Amazing Grace. They were greatly appreciated at that time by those who heard. Now for the first time they have been translated into English for the benefit of the English-speaking world. May God use these messages to strengthen our faith.
