

Alpha Wolfs Pet, Hunted Book 3

In the sequel to Book 2, Alpha Wolfs Pet, Kept, the trilogy concludes with Alpha Wolfs Pet, Hunted. Living with werewolves is a lesson in Mias fragility, and stretching the limits of their antiquated pack protocol wears on everybodys nerves. Nonetheless, Mia is an official member of their pack, and Dominics lover. Satisfied with their romantic and sexy exclusive arrangement, Mia is devastated when Chandra, Dominics fiancée, arrives during his absence. Dominic is worried. Is his love for Mia really his addiction to her blood? Will she eventually become his blood mistress and belong to her, commanding his body and soul? Before he can resolve the issue, the Russian Chess Piece mob strikes his territory. Faced with the kings command to mate his werewolf fiancée, and the mob, he has no time to explain before Mia does what she does best. She runs. Danger looms for Mia and all werewolf kind as secrets are revealed about the mob pursuing her. But most disturbing of all, is the Lycan Intelligence Agencys sudden interest in Mias DNA. Will new revelations destroy their love and crush their future?
