

## Misthaven of Maine

With genuine characters and settings steeped in history with stunning visuals, American debut Author, Loretta Boyer McClellan paints an engaging, coming-of-age journey, rich in the beauty of friendship and abiding love. Misthaven of Maine offers readers an empowering, contemporary story, amidst the sweeping vistas and echoed grace of New England. Born and raised in Boston, with unyielding ties to her ancestral home of Maine and to the sea, sixteen year-old Eliza Hales is from affluent, yet grounded means. Despite experiencing her mothers death when she was a young girl, inner strength and confidence prevail, providing a well-rounded independence and knowledge of self, which carry her into adulthood and throughout her authentic life. An accomplished artist and sailor, her unshakable sense of family, loyalty and the pursuit of her dreams witness the growth of a remarkable soul, who lives and loves deeply, always true to her heart. Like the ocean itself, Misthaven of Maine offers up captivating and thoughtful treasures a multilayered perspective, sure to entertain! A contemporary fiction, coming-of-age novel, Misthaven of Maine was written for the teen audience, as well as adults seeking a proper love story, in the form of a gentle read. Volume One in a series, the recommended reader age is 16 and up.
