

Downpour

The Downpour Anthology from Supposed Crimes started as a butch women and thunderstorms challenge. A throwback to classic lesbian erotica. The resulting stories are a mix of sexy, sweet, and downright dangerous. Women of all types tackle the storms of nature, magic, or mystery. Victorian times through the future of outer space. The classic pretty girl stranded by the side of the road in the rain, along with a pickup or two, ghosts, and, well, we wont spoil all the surprises. Prolific authors like Geonn Cannon and Helena Maeve write alongside newcomers like Alexa Black and Luda Jones. Supposed Crimes favorites A. M. Leibowitz and Adrian J. Smith have stories. Dylan McEwan and C. E. Case are trying something new. Downpour offers eight stories featuring our favorite kinds of women: women. Included stories: Thunder by Alexa Black Between Us and the Penguins by A.M. Leibowitz Shadow of a Storm by Helena Maeve Lynsey by Dylan McEwan Some People Feel the Rain, Others Just Get Wet by Luda Jones Stage Rain by C. E. Case Port in a Storm by Geonn Cannon Magnetism by Adrian J. Smith
