

Arranged in Heaven (Five Star Romance)

Ruth Newman and Sylvia Harris are both in Heaven, but they can't rest in peace until they know their children, Dan and Gayla, are happy. So the two ghosts become matchmakers. And when Dan and Gayla meet, they feel an irresistible pull toward each other. But Gayla is afraid to trust Dan, a doctor who reminds her of her cold, distant father; so Sylvia must reach out to her daughter in a way she never could on Earth--and help Gayla believe in love again.
