

The Dreamer (Awakening Book 1)

Brandywine Ericsson has no use for the New Age Thing. When a series of supernatural events plunge her life into chaos she chalks it up to stress and heads south for a much needed winter vacation. Ocracoke. The remote Outer Banks island proves that Fates reach is indeed long and she soon finds herself surrounded by a cast of characters who not only play a role in Karmas Wheel of Chaos, they provide clues as to why she finds herself in its sights. ? The soul always remembers. Just when things seem to be returning to normal, The Wheel makes another turn. Can she set aside her prejudice long enough to give love a chance when that love may prove all that New Age stuff is real?
