

Shoe Baby

A colourful and charming picture book from a mother-and-daughter team! There once was a baby who hid in a shoe, and had learned how to say How do you do? In a shoe you might think there is not much to do, but this very same baby went to sea in that shoe! And so the babys journey continues - but where are his parents? Could the two giants looking for a baby and a shoe be them? With a great read-aloud text and a winsome hero, this is a picture-book delight! From the illustrator of Flyaway Katie and the author of Baby Bird.
