

Bachelor Cowboy (Mills & Boon Love Inspired)

Bull riding and all the danger that comes with it is in Dusty McPherson's blood. When an injury knocks him out of the rodeo and back home to Desperation, Oklahoma, all he can focus on is riding again. Until he's welcomed by a gorgeous redhead aiming a shotgun at him. To Kate Clayborne's surprise, the handsome trespasser is not only a farmhand hired to help maintain the Clayborne farm, he's been her high school crush. Used to living on her own terms and without the help of a man, Kate is reluctant to work with Dusty. Being so close to him now means trusting him, relying on him and dealing with the attraction between them. Can she trust her heart to an adventure-seeking bull rider whose life is full of risks?
