

Bad Boys Do: Bonus Novella Just One Taste (The Donovan Family)

A taboo affair with a younger man comes with its own set of perks and complications in this fan-favorite story from USA TODAY bestselling author Victoria Dahl. Olivia Bishop is no fun. That's what her ex-husband said. And that's what her smart bob and glasses imply. So with her trademark determination, Olivia sets out to remake her life. She's going to spend time with her girlfriends and not throw it all away on some man. But when an outing with her book club leads her to a brewery taproom, the dark-haired beauty realizes that trouble in the form of sexy Jamie Donovan may be too tempting to avoid. Jamie Donovan doesn't mean to be bad. Sure, the wild streak in his wicked green eyes has lured the ladies before. Now it's time to grow up. He's even ready for a serious romance. But how can that be when Olivia, the only right woman he has ever met, already has him pegged as wrong? Book 2 of Donovan Brothers. A sexy contemporary romance.
