

Already Home (A Maguires Corner Novel) (Volume 1)

Coffee shop owner Maggie Maguire doesn't trust the new police chief her father hired to protect Maguires Corner. He's a stranger, cold, bossy and annoyingly handsome. But, Maggie witnessed a serious crime and now someone's trying to kill her. The man that aggravates her most might be the only one that can help her. Police Chief Jack Munro likes his new job and his new town, and unfortunately he also likes the stubborn but beautiful town sweetheart. His self-imposed hands-off Maggie policy is about to be put to the ultimate test when he must keep her close to protect her while he tracks down a ruthless killer. Determined to ignore Jack's charms, Maggie attempts to help him unravel the mystery but when their lives hang in the balance she must decide how much she's willing to risk to save the man she suddenly can't resist.
