

## Packing Heat: A Bad Boy Secret Baby Romance (Barone Crime Family)

They want to kill me, but he wants to knock me up. Either way Im screwed. I was writing the most important story of my life, but the mafia found out. And now Im totally f\*\*ked. Rafa Allegri is a cocky, brash, and dangerous bastard. Hes also a hitman for the Barone Crime Family. Rafas supposed to kill me, but he has other plans. With his hard, muscular body and heated glances, I just cant say no. He leads me into an alley behind his bar and makes me feel things I never imagined. He wont hurt me, but he wont betray the mafia either. Thats when he suggests something insane, something so crazy that I can barely believe it. The bastard wants to get me pregnant. Rafa says that will stop the mafia from coming after me. He says its the only way to protect me, but Im worried he just wants to take my body again and again. I cant say no. If I do, the mafia will kill me, and hes the only one trying to protect me. But worst of all, part of me wants him to do it . . . Packing Heat is action-packed, incredibly steamy, and features some dirty language. Its only recommended for audiences 18+. Packing Heat is a standalone, full-length novel. No cliffhanger.
