

## Hes Sweet I Know

Apostle Christine Morris writes her life story in this revealing book of how it all started: her travailing episodes of almost not getting to this point; how she had to be led by Holy Spirit even in the midst of her rebellion; and to step in to a pair of shoes that were bigger than her shoes, Bishop Morris; from there passing the baton to someone who had already been trained. Apostle Morris was called to do this and her purpose is to assist others in their growth, expansion and widen territories with the things of God. The Lord is still keeping her and brought her this far so that she could tell her story of how Jesus Christ did it, bringing Jeremiah 29:11 into effect in her lifestyle: For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.
