

## Island Runaway

Elana Tanner ran away to the island of Kauai to forget that fateful night and its high price, not that she'll ever really forget. But it becomes all the more impossible with the unexpected arrival of wealthy and sexy Kyle Barnett who doesn't know if he can ever forgive her for the death of his brother. Tempers flare and sparks fly, but loathing soon turns to lust, and what once tore them apart, now brings them together. But Kyle is very good at keeping secrets, and Elana doesn't know if she can trust him, no matter what her heart may feel.
