

Dreams Sake

Aashi believes she has a right to fight for her dreams. She believes a little bit of selfishness is necessary to survive in this world. Abhi, however, has not learnt that lesson. And he can't accept the fulfilment of his hopes when they seem to rise from the ruins of Aashi's dreams. His sister Priyam and friend Sid are made from much the same mould. And in the path of their love too lies a dream - the dream of a dead and betrayed mother. Feelings rise, and are suppressed. Past grips the present and threatens the future. Memories refuse to wane their shadows from the heart. Hope and despair fight a battle. Guilt rises up and resents the forgiveness. Revenge weaves a web. Friendship is tested. And love demands a sacrifice. A tumultuous battle wages on...What lies at the end of this battle? Lose yourself in the pages of this gripping saga of love and friendship to find out.
