

Calder Promise

Young and beautiful, Laura Calder isn't content to live on a Montana ranch. And a trip to Europe with her Aunt Tara brings her into contact with the sophisticated world she's craved . . . and with the two men who will lay claim to her heart. Boone Rutledge is the son of a Texas billionaire and used to getting what he wants. He wants Laura . . . and so does Sebastian Dunhill, Earl of Crawford, a suave Londoner with a few secrets he can't share. Caught up in a whirlwind courtship with both men that will take her from the nightclubs of Rome to the manor houses of England, across the dusty flatlands of Texas and finally home to the Triple C Ranch, Laura is determined to make her choice on her own terms. But Calder pride will lead Laura into a danger for which her sheltered background has never prepared her . . . and to a man who is a threat to the family she loves more than she knows . . .
