

The Way To a Ranchers Heart

Book 2 in Western Men Are Made For Lovin Series. Trouble is something hard-edged rancher, Brede Kristensen, knows all about: his rambunctious daughters trying to get herself expelled from school, his cooks run off, and then in the midst of a violent storm, he finds an injured woman. But protecting the beautiful mystery woman from harm isnt easy for the single father. Her warmth and laughter fills his home and the lonely corners of his heart. And even though Brede tells himself he has no plans to remarry, he cant deny that she would make someone a perfect wife... Someone wants her dead! Even though dark nightmares plagued with shadows of her past haunt her, Cheyenne accepts Bredes offer. But she didnt count on the sexy rancher, with his good-looks and sizzling kisses, making her want to call his ranch home! And now that the killer has returned for Cheyenne, he wont let anyone get in his way...
