

## Carta a Maria (Spanish Edition)

El primer amor adolescente, ese que nunca se olvida. O tal vez si, porque tu te enamoraste, pero ¿y ella? Ella no, claro. Ella nunca supo de tu primer amor. Y llegaran nuevos amores, pero mientras no olvides el que idealizaste la primera vez, no podras disfrutarlos. Sobre todo esto habla este libro. Y tambien de musica. De musica de los 80 y de los 90.
