

Love at First Slight: Book 1: Aidan and Olivias Story (Love at First Sight)

Olivia never has good luck, so when she wins concert tickets and back stage passes, she's reluctant to go. What if she discovers the band is a bunch of jerks? Her best friend, however, is determined to go and have some fun. By fun, she means sex with a hot guy. Olivia agrees, only because her friend Laura needs something to bring her out of her depression after her divorce. What she didn't count on was meeting Aidan. He looked as out of place as she felt, and when he tries to strike up a conversation with him she strikes him down. Good thing he has a sense of humor.
