

Claimed

Here is the first book of the Claimed Series by author Chloe Parks, a seductive contemporary romance filled with intense passion and sensuality. Lori has returned home feeling dejected from a failed relationship and business. When she discovers that her hunky professional football-playing beau has been scoring touchdowns beyond the field, she is devastated. With the demise of her relationship, her business also folds and Lori has no choice but to admit defeat and head back home. Once there, she starts working as a teaching assistant for Professor Nathan Hayes, her former mentor and English teacher. Since his divorce is now final, Nathan is looking for a fresh start with a woman who knows how to submit to his control and fulfill his need to please and be pleased in return. Lori always had a crush on the tall, dark, intriguing man, but hed never shown an interest in her beyond her role as his student. Until now that is. But after her painful breakup, can Lori handle the demands of her intense, authoritative boss? And will she be able to please his deepest desires? Only mature readers should download this book.
