

Competency Management (Competency Matrix and Competencies)

In this book, you will read all about building competencies to achieve effectiveness and therefore, to achieve success in professional, personal, family and social life. For this purpose explanation of a large number of important competencies and the methodology of competency matrix have been included in the book. Authors, Shyam Bhatawdekar and Dr Kalpana Bhatawdekar, in their capacity of top notch business executives, highly sought after business consultants, eminent management gurus, authentic human behavior experts and prolific authors have had extensive and intensive hands-on experience of competency matrix and competency building. Therefore, the treatment that is given to this vital topic in the book has turned out to be quite authentic.
