

## Defeating Your Goliath: Slaying the Giants in Your Life Starts with You

Giants can take any shape or form in your life. They can be past hurts of failed relationships, addictions, setbacks from life's disappointments, and even the torment from yourself and your own negative mindset. You can become so overwhelmed by the many problems you have to face by looking at the size of them, and how they seem to tower over you. Goliath was over nine feet tall, and his size intimidated the Israelites, except for young David. This book will inspire and motivate you to become like David and take God to battle with you. You will look at your giants in your life as defeated foes. After reading this book, you will feel encouraged and empowered to slay those giants and walk in victory in the name of our Lord and Savior, Jesus Christ.
