TrayTo hell with working a 9-5 job. How am I supposed to live off minimum wage?Ive been locked up many times. Im not afraid of going back. Being in prison is no different than slaving away at some average Joes restaurant just to make enough money to buy food. I live my life day in day out. Who knows how long Ill be on this earth for and I dont want to waste my time thinking about it.Eric (Trays younger brother)Ive always played by the rules. I have a successful job and Im quite happy with my life.But Ive lost patience with my older brother.After recently bailing him out of jail, I wanted to make sure he was going to get off to a fresh start, so I helped get him a job.Well that didnt last very long.Now I have to deal with him back in my life. I have the feeling its going to be uneasy from here onDamien (Leader in a Motorcycle gang)Ever since Tray started working for us, hes been loyal. Hes done good work and stays off the radar. More importantly Tray brings in good money for the club. Hell rise the ranks soon enough. Im not worried about him..Ive just recently learned that Tray has a brother. Hes nothing like Tray and Ive got my eyes set on him..As a token of our appreciation, you will be receiving Thirteen additional Bonus books for your enjoyment!Tags: Gay, Motorcycle Club, Alpha Male, Bad Boy, First time, Contemporary
