

## Not Just An Attraction (The Hart Brothers Book 1)

THEIR ATTRACTION CANT BE STOPPED. Shane Hart is every mans dream. Hes rich, built like a Greek god, and hands down one of the most powerful men on the East Coast. And now, after a horrible divorce, hes out on the prowl. But to be perfectly clear, Shane isnt looking for anything more than a solo night of raw, unbound pleasure. Enter Chris Cohen A young, single school teacher who just so happens to land himself in one of Shanes bars at a time when Shane is hungriest for a fresh body to manhandle. Chris isnt on the market, at least not until Shane spots him on the dance floor. In fact, Chris is dead set on keeping things simple in his life right now as he tries to rebuild himself with a new city, a new job, and a forgotten past. But once a Hart boy, always a Hart boy. Because the second Shane gets a closer look at Chris, his body makes up his mind for him. Hes decided to put Chris on the market, whether he likes it or not. Shanes wants are instantly replaced with needs. And what he needs is for Chris to be unclothed, pinned against his kitchen counter, and begging to be broken in hard by Shane himself. One hot, crazy night between the two of them passes and both men vow to move on with their lives. Or so they thought. Because the moment the two of them realize that Chris is Shanes sons fourth grade teacher, they come face to face with a stark, undeniable reality. Yes, they have insane physical chemistry with each other. But do they have even more than just an attraction? NOT JUST AN ATTRACTION (THE HART BROTHERS, BOOK 1) can be read as part of a series, but this book serves perfectly well as a stand-alone gay romance story with a HEA ending and absolutely no cliffhangers! \*\*PLEASE NOTE: This book contains a bonus series, ALPHA KANE, by Caleb Stone.\*\*
