

Daddy Lessons (Fabulous Fathers)

Savanna Starrs new boss, Joe McCann, was a rugged, blue-eyed hunk. But the man didnt know a thing about raising a child, so Savanna decided it was her job to give Joe some daddy lessons. Joe didnt need anybody telling him how to be a good father especially not Savanna! In fact, he was just about to fire his brazen secretary when she captured his daughters heart. Joe couldnt deny that he needed some help on the home front. But hed already learned his lesson about love, and no woman was going to steal his heart again. Not even sassy, sexy Savanna
