

Dauids 7 Secrets: What God Saw in Davids Heart, What He is Looking for in Yours

David, one of the most intriguing characters in the Bible, started out as a humble shepherd and, after decades of exploits and adventures, became one of the richest and most powerful kings ever known. He killed Goliath the giant, suffered more than one fall from grace, spent years in hiding from Saul, and became one of Gods most faithful followers. He was flawed, like us, but he was a man after Gods own heart. In this unique, creative, and compelling book, Cameron Floria examines how we can learn valuable life lessons from Davids mistakes and successes. The author extracts seven secrets of the Christian life based on Davids life and shows us how to follow them in our own lives to experience a closer walk with God. From doing what God tells us to do to having a heart of worship, the author describes each secret thoroughly, using relevant scriptures for context. A detailed facilitators guide is included for leading a Bible study based on the seven secrets and related Bible verses.
