Eclipse Bay (Luann Kindem, engineer)
Their grandfathers hated each other. Their fathers hated each other. And as the next generation of Hartes and Madisons, Hannah and Rafe are expected to hate each other too. But Hannah Harte - a successful wedding consultant with a skeptical view of marriage - remembers the long-ago night on the beach that revealed Rafe as much more than just that disreputable Madison boy. And Rafe remembers the heroic gesture that proved Hannahs fierce spirit was stronger than any feud - and saved him from near-certain imprisonment. Now - reunited by a surprising inheritance after years of living their separate lives - Rafe and Hannah return to Eclipse Bay, and the hostilities that still divide, and bind, their families. And they are discovering something that is at once delightful and deeply disturbing . . . They dont hate each other. Not at all. . . Dawn in Eclipse Bay (Melissa Coates, engineer) Nothing was ever simple between a Madison and a Harte. The feud that had divided their families still simmered. Now, only months after their siblings wedding, Lillian Harte and Gabe Madison are at each others throats. Successful CEO Gabe had insisted on becoming a client of Lillians matchmaking service. And after five disastrous dates, Lillian is at her wits end. If she hadnt already decided to close her business and move home to Eclipse Bay, Gabe would have been the final straw. But when she finds Gabe at her door demanding she fulfill their business contract, the sparks between them suddenly turn personal. Once again, Eclipse Bay will witness a showdown - between a relentless Madison and irresistible Harte... Summer in Eclipse Bay (Melissa Coates, engineer) Word gets around fast in Eclipse Bay. Nick Harte should know - his familys legendary feud with the Madisons fueled the local gossip mill for years before finally cooling off. But people are still talking - and rumor

has it Nicks involved with someone new... Art gallery owner Octavia Brightwell doesnt take chances - especially on handsome, charming men. But thats only part of the reason why she turned Nick down six times before - finally - agreeing to a date. Octavias related to the woman who sparked the long-time family feud - and fears that falling hard for Nick would only ignite the flames again. Octavia knows her familys past is best kept hidden. But her secret isnt safe in Eclipse Bay - and neither is her heart...
