

## Rediscovering the Master and Discipleship

People ask, What should we do as Christians? It sometimes appears that we are more concerned about doing than being. Bill Konstantopoulos reminds us to Rediscover the Master and Discipleship. Join Bill in re-examining Christ, and making it our first-and-foremost mission to KNOW and FOLLOW HIM, while BEING His disciples. Discipleship is the heartbeat of the church. Making disciples is Christ's mandate to us. Both Jesus and Paul offer prime examples of the disciple-making that serves as the lifeline of the church. Each directs us in the disciplines of discipleship. Bill C. Konstantopoulos has given Reformation Publishers written permission to publish this book in digital formats.
