

Up to Me (The Bad Boys)

M. Leightons freakin hot* Down to You was just the beginning. Up to Me has even more shockers in store! *(Examiner.com) For Olivia, romantic bliss has never felt as right as it does with Cash. Unpredictable, except when it comes to satisfying her desires, Cash has a well-earned bad boy reputation, but hes turning his life around with the one woman who accepts him for who he is. Until strangers from the past turn Olivia and Cashs world upside down. What they want is something only Cash can give them. And if he doesnt deliver, then theyre taking the one thing that Cash values the most. Olivia always knew that in falling for Cash she was likely to get burned. But this new threat is beyond anything she imagined. Now she has to trust Cash with her life? and for Olivia, thats much easier than letting go and trusting him with her heart. Scorching hot insanelly intense and it is shocking. Shocking! ?The Bookish Babe Fast-paced, edge-of-your-seat thrills. ?Literati Literature Lovers
