

## SASSY (Loveswept)

Supermodel Sassy Shaw thought she was headed for a Nevada dude ranch for a peaceful vacation, but cattle rancher Luke Cassidy had other plans for his beautiful guest! Sassy felt a sizzling attraction to the tall, strong cowboy with the devilish smile and battered Stetson, and surprised him when she agreed to pitch in and cook for his ten-man crew. Hed expected her to be spoiled and difficult, but instead the lovely spitfire rose to his challenge-and ignited a savage need that nothing short of brazen kisses could satisfy. With abandon and heat, Sassy begged Luke to teach her everything; from riding a horse to an astonishing ecstasy shed never known. Warmed by her fire, Luke let himself dream for a while, but he knew that like his long-ago fiancée, Sassy would never stay with him on the land he loved. Wrapped in his embrace, Sassy felt she belonged somewhere at last, but could she make Luke understand that her dreams had changed when shed fallen in love?
