

Forever Flint (Mills & Boon Vintage Desire)

MEN of the YEAR MAN of the Month If you're pregnant, were getting married! - Flint Paradise, CEO and surprised father-to-be After a single night of passion put Ashlenn Carey in the family way, millionaire businessman Flint Paradise acquired a very stubborn, pregnant bride. Ashlenn made it clear that unless his shotgun vows included loving and cherishing their baby, it wouldn't be a warm, willing wife he'd come home to. But the rugged loner didn't know the first thing about loving anyone. And with the sexiest woman he'd ever seen expecting his child, Flint wasn't about to wait nine months to start learning. Some men are made for love - and you'll love our MAN OF THE MONTH!
