From the author of *The Cowboy Billionaire* comes a new and exciting chapter of cowboy lust and young help in the sequel to *Belmont Billionaires: Breaking in the Cook*: Evies on the run when her car breaks down on the middle of a backwoods Texas road. Just as she throws her keys away in anger, a rough and rugged cowboy comes to her rescue. When she explains her no-hope situation, he offers her a position as lead cook at his billionaire family's dude ranch. But a new job isn't all that Evie finds at the ranch. She soon comes in contact with the handsome Jude Belmont, a man with his own share of sadness. But after a hot night of getting better acquainted, Evie decides maybe being with the boss isn't the best idea after all. As she settles in at the Belmont Ranch, Evie is in for a shock when her past catches up with her. Is she going to have to keep running? Or will her and Jude be able to overcome this together? \*\*\* Warning this 8,000+ word erotic is intended for adults only! It contains graphic language and sensual hot sex \*\*\*
