

Trusting God: A Life Without Worry (Women of Faith Study Guide Series)

And those who know Your name will put their trust in You; For You, LORD, have not forsaken those who seek You. Psalm 9:10 (NKJV) Is it possible to live a life without worry? Worry and stress have a way a sneaking into our lives when we were not looking. Yet God invites us to wave goodbye to this unwelcome duo and learn to depend on Him in everything. As worry and stress disappear in our rear view mirror, we discover new things about God, life, and others that we never imagined. In this study, we will look at men and women who faced challenging situations and impossible odds but discovered the power of relying on God every step of the way. Whether it's Noah leading a herd of wild and whimsical creatures on a wooden boat (with two termites!), Abraham leaving everything that's familiar to venture into the great unknown, or Ruth embarking on an unforgettable love story, we are reminded that the same God who led, guided, and protected them, leads, guides, and protects us, too. Features: Twelve weeks of Bible study Questions for discussion Leaders Guide included for leading your small group study
