

Epiphany: A Quest for Love

**NEW* Cover, Same Great Contents!*
****In this powerful story of love, we follow the life of the beautiful Epiphany Jordan, who suffers years of heartache and defeat in relationships. Fearful of being hurt again, and convinced that true love is not her lot in life, she spends her time hanging out with her four best friends, Gina, Paige, Lexi, and Onnica; and burying herself in her writing career. Her unrelenting passion for love, provokes her to write unparalleled love stories, which catapults her into an overnight writing sensation. Finally life is good, and Epiphany, is content. She has found peace in her relationship with God, and with her best friends. She has discovered joy in the success of her company, Life Pages Publishing, and pleasure in expressing her love, in an alternate universe called fiction.*

*Her success leads her to Chicago, to sit on a national stage with the Queen of Talk, Ms. Oprah Winfrey, which would change her life forever. Little did she know, her visit to the Oprah Winfrey Show, would set a chain of events in motion that could potentially give her the happily-ever-after, that her heart beat for. It would all begin with a simple love note on her windshield, that leads to an incredible twist of fate that she never saw coming. She would soon find herself in the midst of a real life love story, where she was the main character. After five years of being alone, and finally content with her life, would this new beau, Mr. Michael DAngelo Love, turn out to be the beautiful surprise he appears to be, or the final nail, in her love coffin?****
