

Love to Hate You

Meet Annabel Taylor. Shes sweet, shes smart, shes shy and shes your typical bookworm. Except when it comes to one person Alex Knight, her next door neighbour. Alex is the jerk, the player, the stereotypical golden boy. Around him Anna cant help being the complete opposite of her usually shy, quiet self. Alex and Anna have never seen eye to eye, but when fate forces them together... Is it a chance for a new friendship or a chance for something more?
