

## God Talk: The Beginning

Every life has a story, some are seemingly small and insignificant, some are apparently grandiose, but all are a gift from God, and each story is worth the telling. This is but a small piece of mine. God Talk is a daily journey about what God has done with all the bits and pieces of my life. Some of it may make you laugh, some might make you cry, and some will likely make you shake your head whispering I cant believe she said that. But, it is my fervent prayer that somewhere in these pages you will find the message God put there just for you.
