

Feminist Communication Theory: Selections in Context

Feminist Communication Theory is a book of and for feminist communication theorists, providing the potential to help individuals understand the human condition, name personal experiences and engage these experiences through storytelling, and give useful strategies for achieving justice. Lana F. Rakow and Laura A. Wackwitz examine the work of feminist theorists over the past two decades who have challenged traditional communication theory, contributing to the development of feminist communication theory by identifying its important contours, shortcomings, and promise.
