

## Final Mend

A recovering alcoholic, Jake Inman has found a new, healthier addiction: training for his successful triathlon career. But when his manager is murdered and beloved goddaughter kidnapped, another obsession takes hold: doing whatever it takes to find Brandons killer and keep Amy safe. Jake turns to a private investigator for help in solving the case, and though he finds temptation in her whiskey-colored eyes, he knows he must resist his attraction, or risk losing his heart. After a devastating case, Winona Wall has turned her back on her skills as a private investigator, preferring a quiet life as a part-time bartender. That is, until Jake storms into the bar, demanding her help in tracking his missing godchild. Unable to resist Jakes charm, she reluctantly agrees. But even after Amy is found unharmed, Jake insists Amys mother was more involved with her kidnapping than the police suspect. When the situation takes a turn for the worse, Winona must trust her instincts in order to save them all - and avoid falling in love. Sensuality Level: Sensual
