Emmalyn Chase has a six month expiration date with men. Shes out celebrating the loss of her latest boyfriend with her friends when she runs into Lukas Upton, the old flame that broke her heart into a million pieces. Immediately, her mind threatens to fall back into the dark place it created when he left. Despite Em and Lukas best intentions, fate has decided their fairytale isnt over. Unfortunately, life has a habit of getting in the way. While Em battles depression and her conflicting feelings for Lukas, Lukas struggles against his history of unreliability and indecision. As Em and Lukas seek to redefine their romance, they find out how hard it can be to hold on to true love.
