Warning: Sex Scenes Jim moved into his sister Kaylas house because he couldnt stand his parents anymore. He thought that Anthony would spend a lot of time with him and it had started out that way until Anthony found out they had nothing in common. So instead of hanging out with him he would tease him and call him names. He would purposely get Jim mad at him. That is until Kayla decides to go away for the weekend with her friend to a womans spa. A womans weekend. While Jim is in the shower Anthony goes into his room and cant help but look at his computer, wondering what was on it. When he sees whats on it their relationship slowly changes.
