

## Gentlemens Game

When young playwright Greyson Foster agrees to attend a party at the penthouse of a millionaire, he has no idea how profoundly it will change his life. His journey will take him into spaces in his mind he never knew existed, bring him face-to-face with needs he never knew he had, and challenge him to travel to the precipice of lust, revenge, and love. From their first meeting, the powerful and charismatic Jack Miles weaves an enticing web around Greyson, drawing him into the dangerous game three millionaires play in secret. But Jack's personal life is complicated and his demons are many, and as they strengthen they threaten to destroy all that Jack holds dear - including Greyson.
